## Chisox Been Running As Wild As W. K. March Hares

Mike Jay Spills More Dope on World's Baseball Series in Second Special Article—Pending Contest Taxes Pens of All Dopesters

(By MIKE JAY)

Soon each scribe will pick his team As the diamond season ceases. Then other writers team by team Will pick his team to pieces.

It looks like an open season for the squirrels. Western sport scribes are unanimous in the opinion that so far as the world's series between the New York Giants and the Chicago White Sox is concerned, the Brush Stadium bunch will finish a good second. Out where the sage brush grows, the idea also grows that the Giants won't have to number their players 'cause the Chisox already have their number. On the left hand the educational clinic of the Four Million have asked all the Windy City fans bitten by the pennant hound, to step up to the polo grounds for pasture treatment. And every little sport spiller from Otto Floto to Eddie Hughes, is merrily picking his winners depending on the section of geography which he curses with his presence.

### THIS OUR SECRET

Again we'll spend a little secret for an earful. Even Diogenes can't beat us for truth and it's a cinch his lantern stuff wouldn't work today 'cause he'd get pinched for not carrying a head and tail light. Bo, the Giants is going to get "the breaks" and win the series on 'em.

The Chisox have been running as wild as the w. k. March hares during the season, but when it comes to serious money, they won't trifle with the appreciat. The McGrawmen on the other hand have been careful in their pilfering, as careful as a second-story man who has done time for an unexplained presence in a vacant house. So that while the Windy City lads will have to switch their style of play the Gotham goofs will stick to the regular season fashion and thusly "the breaks" for them.

### "THE BREAKS"

Oh, you want to know what "the breaks" are. Well, boy, "the breaks" is what the other fellow is always getting when he beats you. Pants Rowland of the Chisox didn't win the pennant of the American league through getting "the breaks." Nay, nay, Pauline, he won because he was a good manager, a far-seeing man, with much wisdom and withal a grand fellow.

Muggsy McGraw, on the other hand, got "the breaks." His team was rotten, he is a highway robber when he collects his salary for his work and withal, had no business to grab the pennant. For proof of this inquiry of the seven other baseball leaders in the National league. Their verdict is unanimous, "he got the breaks."

### BATTING WELL

His team has been batting well but running bases is a lost art with 'em. The Chisox on the other hand have stolen more sacks than a rags-bottles-and-bones collector. And mark my words, Jack Dalton, that in this series there will be a lot of White Sox runners stealing second before the previous tenant's lease has expired. They've been wearing out shoes by the box romping around the stations during the season, boy, but wait till the series and you'll be convinced they were brought up on a vacuum bottle.

Those Western scribes back up their argument with kindergarten

## What Healthy Nerves Mean to You

A strong, vigorous nervous system means health, strength and ability to endure hardship and also to enjoy the full pleasures of life.

The man with healthy nerves accomplishes greater tasks with less fatigue. He has a clear eye, an active brain and a sound body. He is enabled to think better and work faster. He has energy. With healthy nerves he can overcome the hardest competition, be successful and gain wealth.

The woman with healthy nerves is never listless, weak or hopeless; she is not irritable, she never suffers from hysteria, she has a reserved surplus of endurance. Healthy nerves will prevent the sleepless mother, although worn with care and nursing, from a "rock down" caused by her double or treble duty.

All men and women who suffer from those forms of nervousness known as Neurasthenia—who have "gone to pieces," who lack energy, who have insomnia, who have succumbed to nervous prostration or nervous exhaustion, either mental or physical, whose condition is one of irritable weakness, will find ready relief and cure in the peculiar properties of

## SENSAPERSA

(Formerly called Persa Nerve Essence.)

These wonderful little tablets contain no mercury or other injurious drug. They act like magic. The bright eye, the elastic step, the clear and active brain, the courage and strength and comfort they impart are noted almost from the first day they are taken. One box of Sensaparsa will do a great deal of good, it's full course treatment of six boxes is guaranteed to give absolute satisfaction or the money will be refunded.

The proprietors earnestly ask for every sufferer to give Sensaparsa a good fair trial at their risk. Don't delay, commence today. Sold by Chambers Drug Co., Hollister Drug Co., Honolulu Drug Co., Benson, Smith & Co., or sent postpaid for \$1 per box or 6 boxes for \$5.

THE BROWN EXPORT CO., Dept. 16, 74 Cortlandt St., New York, N. Y.

## CAN HE DO IT AGAIN? IS QUESTION OF FANS

CRUMPLER, OF THE COAST DEFENSE

With one victory over the 25th Infantry to his credit, Crumpler enters the pitcher's box for the Coast Defense on Sunday in the second game with the Wreckers, facing a hard proposition.

His work two weeks ago against the same team was superb, but his standing ability will receive its greatest test in what promises to be one of the best games of this season tomorrow.

## MILLS SCHOOL OPENS INTER-CLASS SERIES

Juniors and Grammar School in Fast Game Which Ends When Score is Tie

(Special Star-Bulletin Correspondence.)

By SUNN HUNG.

MILLS SCHOOL, Sept. 29.—Before a crowd of 150 fans, the initial game of the Mills inter-class baseball series was played yesterday and resulted in a tie score. The game went only seven innings and at the end of the last canto the score board read, Juniors 7, Grammar School 7.

The grammar lads were the first to bat and chased three runs across the rubber with four swats, aided by a couple of errors of the opposing nine. The junior boys came in and tried to score, but pitcher "Collegian" Quon Chong had too much stuff on the old horsehide and the upper classmen were unable to connect. And again, the grammar team in the second inning duplicated the run column of the first with three runs.

Though a catcher by trade, nevertheless Kan Leong covered the different corners, then behind the bat one inning and then jumped into the pitcher's box for five innings, working in great form. Kan Leong prevented the grammar squad from further scores.

For three long cantos the juniors were unable to make a run or get a hit. Chong struck out 10 men and that may be the cause of the juniors not getting more than five scattered hits during the seven innings. In the fourth, the juniors got two runs and scored four runs with three bingles in the sixth. The sixth found the power of Chong weakening, and he issued four complimentary tickets, which gave the junior squad two free tallies when the bases were jammed. In the seventh neither side could score and the game was called on account of darkness.

The next game comes on Monday, when the Seniors play the Sophomores.

The summary follows:

Juniors.....0 0 2 0 4 0—6  
Baseshits.....0 0 0 2 0 3—5  
Grammars.....3 3 0 0 0 0—6  
Baseshits.....4 1 2 0 0 1—8

Summary: Three-base hits, Quong Chong; two-base hits, Kuroawa, Lin Fat, Sera; bases on balls, off Leong 1, off Quong Chong 5; struck out, by Hamamoto 2, Leong 4, Quong Chong 10; passed balls, Masaki 2; umpires, A. S. Given, Hung; time of game, 1 hour, 35 minutes.

The gasoline schooner Anvil was brought back to San Diego harbor with 30 draft evaders and enemy aliens aboard.

Oakland.....27 93 .482  
Vernon.....74 105 .413

## HAWAII TO BE REPRESENTED AT NATIONAL MEET

Delegates Chosen for Annual Gathering of A. A. U. at St. Louis Nov. 1

To represent the Hawaiian association of the Amateur Athletic Union at the annual meeting of the national organization in St. Louis on November 1, six men were chosen at the monthly meeting of the board of governors of the local association yesterday afternoon. They were Lorin Andrews, William T. Rawlins, Abner T. Longley, Harold K. L. Castle, Benjamin Clark and John F. Soper.

That Fred Ruben, secretary-treasurer of the national A. A. U. at present, should be backed by the Honolulu delegation, was the feeling of the board. Following this course, the local A. A. U. will probably take no part in the movement started in the West to oust the present officials of the A. A. U. for what is claimed to be their selfish attention to their own friends.

Mr. Ruben has done much for swimming in Hawaii and is a friend of Mr. Rawlins, president of the local A. A. U. The latter believes that he is the strong man for the position.

The committees for the coming year were announced as follows:

Registration Committee—John F. Soper, chairman; Benjamin Clark and William T. Rawlins.  
Finance Committee—Harold K. L. Castle, chairman; John F. Soper and Abner T. Longley.

Committee on Membership and Investigation—Mrs. L. Poullard Leo, chairman; Earle C. Bartlett and Glenn E. Jackson.

Committee on Records—Lorin Andrews, chairman; Joseph B. Stickney and Frank E. Midkiff.

Committee on Legislation—Lorin Andrews, chairman; John F. Soper, Benjamin Clark, Abner T. Longley and Joseph B. Stickney.

Reporting on the finances of the year, John F. Soper stated:

"In the first place, our receipts this year amounted to \$36,430, whereas which amounts to something over \$400 1916 meet were \$248.10. Our total expenditures this year amounted to \$3,238.24, not taking into consideration H. F. Wichman Co.'s bill for medals, which amounts to something over \$400.

"At first glance, it would seem as though the surplus should be better than last year's, as reported in the secretary-treasurer's report at the annual meeting, but this feature must be borne in mind, namely, that this year we had to take care of seven mainland swimmers.

"This year it cost us \$1741.50 for the round trips of the above mentioned seven visitors, plus \$482.35 for hotel bills, or in all a total of \$2224.35, whereas last year it cost us \$927.00 for traveling expenses, while the hotel bills were correspondingly less, at that time, due to the shorter stay of the swimmers here in Honolulu."

## SAWED OFF SHORT

Godfrey Affonso, sporting editor of the Advertiser, is today celebrating the thirty-ninth anniversary of his arrival in these islands. He came from Funchal, Madeira, and while here has been engaged chiefly in the newspaper business. In his varied experience he has been editor of several Portuguese papers.

Owing to the fact that many of the girls who will enter the meet scheduled for the Y. M. C. A. tank are going to school, the date has been set one day ahead. It will now be held on Saturday evening, October 27, instead of Friday evening, October 26.

The games committee of the girls' swimming meet is scheduled to meet this afternoon at the Y. W. C. A. At that time further arrangements will be made for the coming swimming meet.

The B. F. Ehlers baseball team will play the Japanese team of Waipahu at the latter's town tomorrow afternoon at 1:30 o'clock. About 50 persons are going to make the trip with the local team. The latter believe that after winning their last five games with countryside teams victory tomorrow is assured.

The Punahou third team will clash with Iolani third team in what promises to be an animating game of football this afternoon at Alexander field, beginning at 2 o'clock. Conant, Wilts, Bush and Crane will play in the Gulf and Blue backfield while Ackerman and Lidgate will play at the ends.

The finals of the Manoa Tennis club handicap doubles tournament are being played this afternoon between A. L. Andrews, R. Renton Hind and Frank Girdler and Percy Nottage.

Results of games played in the Manoa tennis club this week follow: A. L. Andrews and R. Renton Hind beat W. G. Singlehurst and E. A. R. Ross, 6-2, 6-4.

Frank Girdler and Percy Nottage beat Alec May and Irwin M. Beal, 6-4, 8-6.

A. L. Andrews and R. Renton Hind beat M. M. Graham and Dr. G. A. Braly, 7-5, 6-4, 6-2.

Frank Girdler and Percy Nottage beat J. B. Guard and F. E. Steere, 5-7, 8-6, 6-1, 6-1.

## FOOD FOR FANS

That much-heralded girls' swimming meet is not going to be exclusively for girls after all. The A. A. U. decided that they should not do all the judging and the women in charge of the meet acquiesced.

The bars have been dropped. Men will be at the meet. It now ceases to be an exclusively girls' meet.

Another feature of the meet was that it was to be the first girls' meet held under the auspices of the A. A. U. The only advantage of this was that the records made could stand as A. A. U. records.

Rather than cast this aside, the women let down the bars. Once down, they are going to have a hard time to put them up again.

There is still time to make the meet for girls only.

The races can be run just as well without the men of the A. A. U.

## PUNAHOU GIRLS GET SWIMMING INSTRUCTOR

At the Punahou chapel exercises yesterday morning President A. F. Griffiths announced that Miss Helen Jones had been secured as swimming instructor for the girls. The announcement was received with enthusiasm among all students, and it is believed that swimming will be more popular this year than ever before.

Miss Jones is a granddaughter of P. C. Jones, an old friend and trustee of Punahou. After graduating from Punahou Miss Jones attended Smith college, from which institution she was graduated in 1916.

## AIEA'S GYMNASIUM CLUB PROGRESSING

With classes being held every Sunday afternoon from 2 to 4 o'clock for the school children of Aiea, the Aiea outdoor gymnasium club is progressing at a rapid rate. The residents of the plantation town have donated funds for the purchase of indoor, basket and volley balls. The classes are being given instruction in physical training by Louis Rosa.

The club starts its volleyball league on October 7, and it is planned that other plantations will organize clubs to compete with the patrol for that district.

The interstate commerce commission held that the rates on milk, buttermilk and cream from points in the Middle West and Kentucky to Cincinnati were unreasonable.

## 25TH INFANTRY IN GAME WITH COAST DEFENSE

Teams Clash Second Time at Moiliili Sunday; Band Will Be There

### WEEKEND BASEBALL

This Afternoon  
At Moiliili—1:30, Hawaiis vs. McKinleys.  
At Moiliili—3:30, Healanis vs. Filipinos.  
Sunday Afternoon  
At Moiliili—1:30, Asahis vs. St. Louis.  
At Moiliili—3:00, Coast Defense vs. Wreckers.

With the Coast Defense scheduled to play the 25th Infantry Wreckers in the second game at Moiliili on Sunday afternoon, there is more than usual interest in the baseball program for this weekend. In the last game which these teams played, the former won, much to the surprise of the followers of baseball, and to the team that lost.

Crumpler, who was largely responsible for the shining victory scored by his team two weeks ago, will again appear Sunday afternoon in the role of pitcher. What he will have to face this time, however, is a team that is set upon coming back into its own after having received not a gentle jolt.

To Begin Early

The second game at Moiliili tomorrow will begin a half hour earlier than usual, announced William Miles last night. If the first game between the Asahis does not end in time it will be stopped. However, this, the management of the park points out, is not probable, for both teams are fast players, and, incidentally, hold the record for the fastest game played on the field.

The games being played at Moiliili this afternoon are the first in the rearranged schedule of the Pacific league. The Hawaiis should win from the McKinleys, for if they lose, the Filipinos, who are playing the Healanis, will probably take from them

## BANTAMS BATTLE IN GAME WITH PUNAHOU SOON

Tiny Griddists Who Swell Ranks of McKinley's Football Squad Will Play

McKinley high school has the largest squad in her history out for football. Part of the big turnout is due to the faithful appearance of candidates for the third team, which has completed its first week's practice and is out gunning for the scalps of other schools.

The younger boys weigh in at only 110 on an average, but they are looking for anyone their size. The first appearance of this team will be as a curtain-raiser at the mixup with Punahou a fortnight from now. Before the first teams start their argument the little fellows will show how it should be done. Some of the bantams are Ed Sylva, Shipp Low, William Leong, Edward Kam, Andrew Cox, En Fah, Bung Chung, and Nishi Torno.

The girls are hard at basketball, preparing for the annual series with the team from the Priory. They have been working out every night under Gladys Stewart, their captain, and are showing that they have not forgotten the game over summer. Some of the more promising ones are Abbie Prestige, Marjorie Lee, Dorothy Ormiston, Agnes McCandless, Rose Robero, Margaret Neely, Jape Holt, Charlotte Stewart and Rebecca Sherwood.

## NUUANU Y. M. C. A. PLANS NEW TENNIS TOURNAMENT

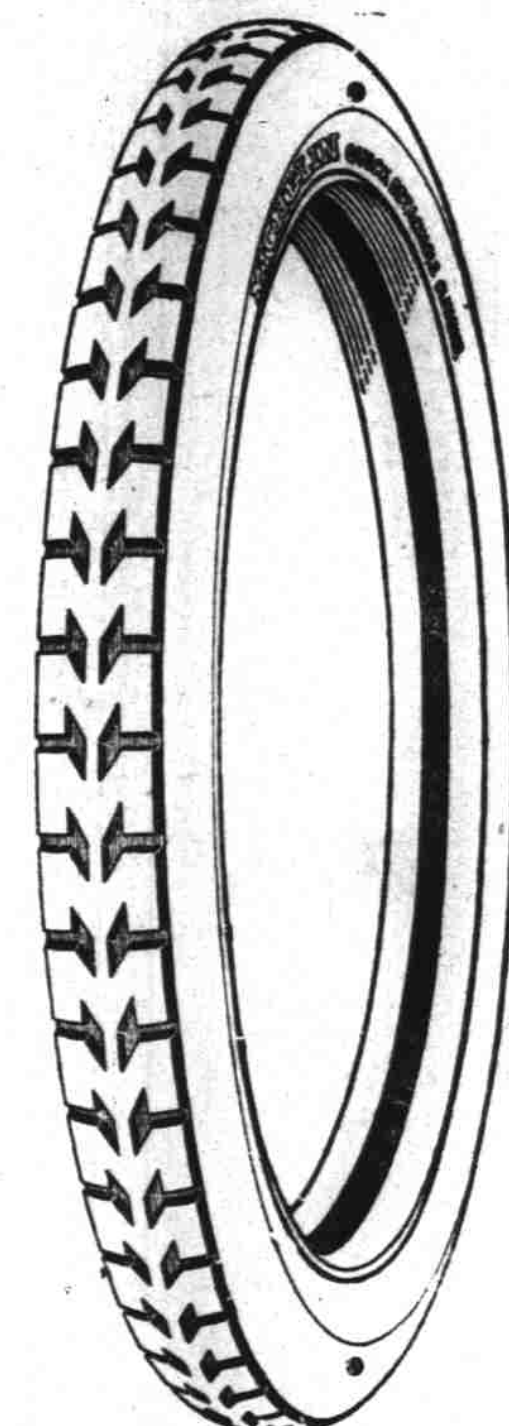

Following the first single tennis tournament of the Nuuanu Y. M. C. A., which was closed on September 15, the committee has decided to start the double tournament on October 6. Entries will be closed on October 3. Those who desire to enter the tournament may phone to John Ching of Central Y. M. C. A., or T. Kawasaki of the Japanese Y. M. C. A.

the league championship. The game between the Filipinos and the Healanis will be played if the latter show up. They have not played for so long now, that the team members have almost lost track of each other.

# MICHELIN Tires

## and RED TUBES

Make Satisfactory Tire Equipment

When you buy your next tire try Michelin

You will find them 12 to 15 per cent heavier than the average non-skid tire. This extra weight represents extra rubber and fabric, which means extra service. Michelin inner tubes are formed on a ring mandrel to exactly the circular shape of the inside of the casing and fit perfectly.
